

USA Sambo started working with a new web platform fitofan.com. In order to become a USA Sambo member you have to register with FitoFan and jointly with USA Sambo at: <https://fitofan.com/usasambo>

First, you have to personally register at fitofan.com with your email and password. You will be prompted to upload your photograph. Note, acceptable photo is front face in a shirt of t-shirt and clear background. Unsportsmanlike photographs will not be accepted and the whole profile will be rejected by USA Sambo.

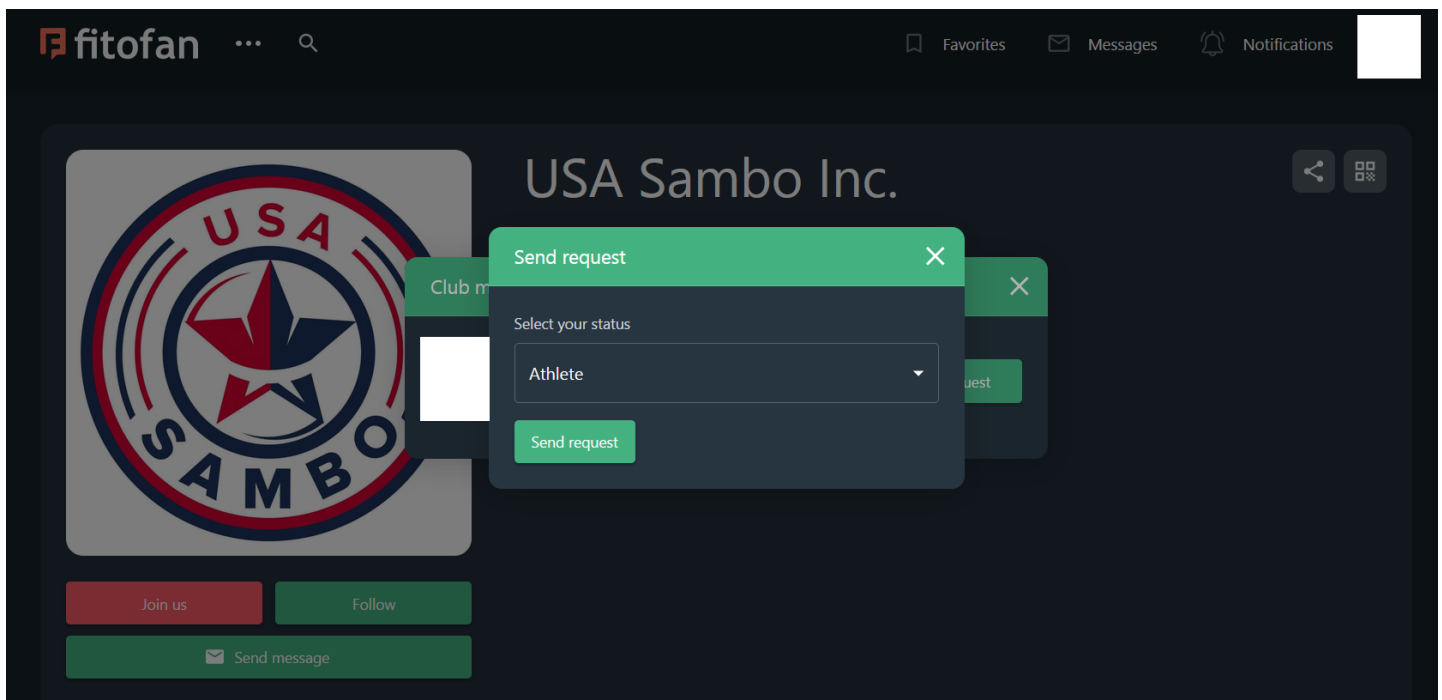

After personal registration, click on **Join us**

Even though it says “Club membership” you will have an option to choose Annual Personal or Annual Club membership.

Send the request for approval.
